

Subject: Request for Extension on Assignment Submission Deadline

Respected Sir,

I am writing this email to respectfully request a brief extension of the upcoming assignment to submit the research article on the topic of our choice due on 28 March 2026. I have been working hard on the assignment but due to an urgent personal matter over last four days, I am slightly behind my planned schedule.

I have already completed most part of the research and initial drafts of the assignment, so I would request an additional two days' time to finalise the draft for the required standard. If granted, I will ensure the completed assignment is submitted by 30 March 2026.

Thank you very much for your time and understanding.

Respectfully

Rishav Raj
